

CCRA: Science & U.S. History

Return of Materials: 2025–2026

Once your materials are packaged for return, there are two options for sending them to Cognia:

1. A UPS pickup may be scheduled anytime during the paper test administration window by going to the Materials Management Section of the eMetric Portal (<https://oklahoma.cognia.org/>). See the *Portal User Guide* (<https://oklahoma.onlinehelp.cognia.org/guides/>) for directions.
2. To help facilitate the return of your testing materials, an automatic pickup has been prescheduled for your District. If your District chooses to schedule an earlier return, please contact the Oklahoma Service Center by 12:00 p.m. two days prior to the automatic pickup date.

UPS Next Day Air Return Service

Use the Next Day Air Return Service Label(s) for the Return of All CCRA: Science and U.S. History materials to Cognia.

Note: These labels are district, school, and test administration specific. Please ensure the correct district/school label(s) are being used.

Please retain the boxes received with your test material shipment to reuse for returning test materials to Cognia.
